## Regional Associates needed by TEAC

TEAC (the Anglican Communion's Theological Education Working Party) wishes to appoint one or two part-time Regional Associates, to be based in Africa.

The person(s) concerned would provide input into the work of TEAC from their regional context, as well as sharing news and information about TEAC work in relevant Provinces.

The TEAC work would require an average of ten hours a week, although there would be need for flexibility, and the person(s) would need to be prepared to undertake some regional travel.

TEAC is looking for people who are theologically qualified, with experience of theological education/formation in either diocesan or seminary contexts.

For more information about the position, conditions of service, etc, contact TEAC's Secretary, Clare Amos, at <clare.amos@anglicancommunion.org>.

## ANITEPAM seeks a Corresponding Secretary

As reported in the August/September issue of the *ANITEPAM Bulletin*, ANITEPAM invites applications from suitably qualified persons for the position of Corresponding Secretary, with effect from 1 January 2007 or as soon as possible after that date.

Full information about the position can be found on the ANITEPAM web site, [www.anitepam.org](http://www.anitepam.org), or requested from the outgoing Corresponding Secretary. Contact details are given on the inside front cover of this *Journal*.

It is possible that this position could be combined with one of the TEAC Regional Associate positions advertised above, subject to negotiations and agreement between all parties involved.

Applicants for the ANITEPAM position should contact the Chair via <apply@anitepam.org> or at the address given in the inside cover. If relevant, they should indicate whether they are interested in applying for the TEAC position as well.
